Creating a presentation

- Requirements
 - teaching presentation
 - business presentation
 - “gift” presentation
- Design
 - content
 - structure
 - features
- Implementation
 - in OO Impress
 - in MS PowerPoint
- Evaluation
 - checking if everything is working (animation, music, links, etc)
 - evaluation by the audience
 - Did they like it?
 - Was it clear?

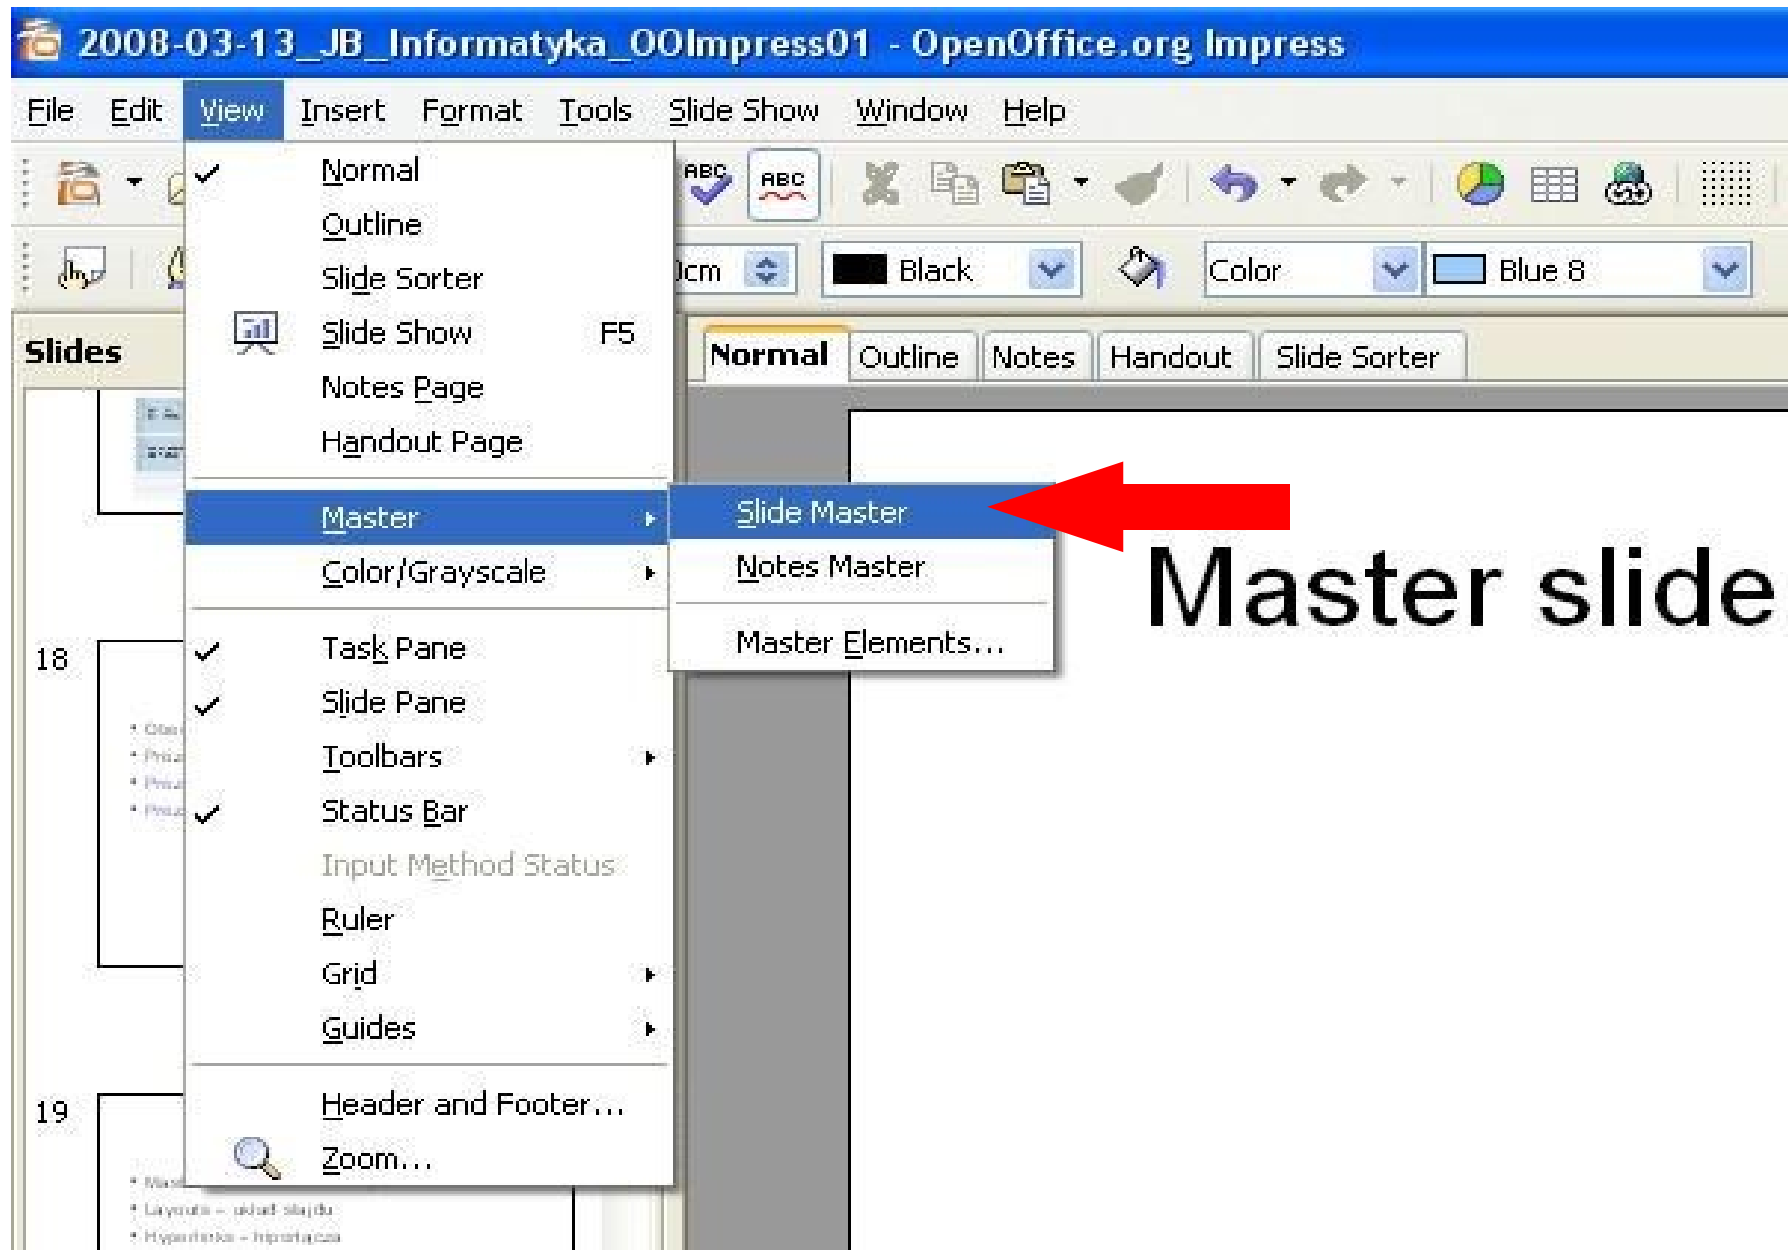

Exemplar presentations

- Current presentation for teaching purposes
- Confidential presentation
- Presentation for special purposes
- "Gift" presentation - presentation full of pictures and animations

Master Slide – wzorzec slajdu

Master slide

Master Slide – wzorzec slajdu

The diagram illustrates the layout of a Master Slide in OpenOffice.org Impress. It is enclosed in a black border and divided into several labeled areas:

- Title Area for AutoLayouts:** A rectangular box at the top containing the text "Click to edit the title text format".
- Object Area for AutoLayouts:** A large rectangular box in the center containing a bulleted list:
 - Click to edit the outline text format
 - Second Outline Level
 - Third Outline Level
 - Fourth Outline Level
 - Fifth Outline Level
 - Sixth Outline Level
 - Seventh Outline Level
 - Eighth Outline Level
 - Ninth Outline Level

- Date Area:** A small box at the bottom left containing the text "2008-03-13".
- Footer Area:** A box at the bottom center containing the text "OpenOffice.org Impress" and "Jolanta Bachan".
- Slide Number Area:** A box at the bottom right containing the text "<number>".

Master Slide – wzorzec slajdu

The diagram illustrates the components of a Master Slide template. It features a central slide layout with a title area, a main content area, and a footer area. Red arrows and text labels point to specific elements:

- Tytuł** (Title) points to the title text "Click to edit the title text format".
- Lista, poziom pierwszy** (List, first level) points to the first bullet point "Click to edit the outline text format".
- Lista, poziom drugi** (List, second level) points to the second bullet point "Second Outline Level".
- Listy** (Lists) is a bracketed label on the right side, encompassing the entire list structure.
- Stopka** (Footer) points to the footer area, which contains three sections: "Data" (2008-03-13), "Tytuł" (OpenOffice.org Impress Jolanta Bachan), and "Numer slajdu" (<number>).

The slide layout includes the following text elements:

- Title: Click to edit the title text format
- Content:
 - Click to edit the outline text format
 - Second Outline Level
 - Third Outline Level
 - Fourth Outline Level
 - Fifth Outline Level
 - Sixth Outline Level
 - Seventh Outline Level
 - Eighth Outline Level
 - Ninth Outline Level
- Footer:
 - Date: 2008-03-13
 - Title: OpenOffice.org Impress Jolanta Bachan
 - Slide Number: <number>

Movie & Sound – film i dźwięk

OpenOffice.org Impress

- Custom Animation – Animacja niestandardowa
- Slide Transition – Przejście slajdu

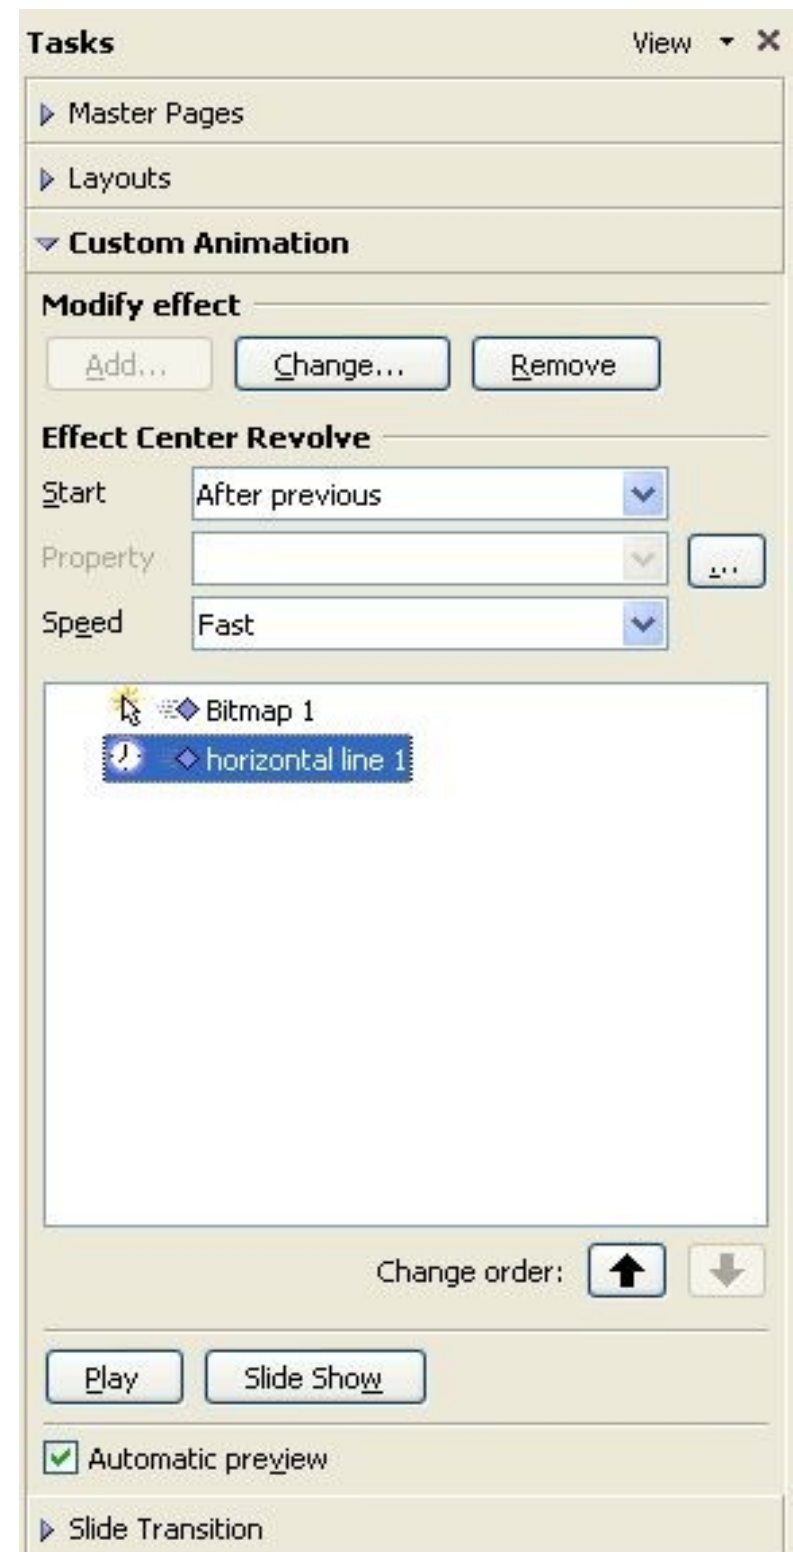

OpenOffice.org Impress

- Custom Animation

OpenOffice.org Impress

- Custom Animation

OpenOffice.org Impress

- Slide Transition

Hints

- 7x7 rule – 7 words in one line and 7 lines on one slide
- Content is more important than animations

Task

- Create your own presentation in OpenOffice.org Impress

See you next week!
